	EL	LAW xxx	Law School Elective		3	3
				10	21	30

TOTAL				35	69	104
--------------	--	--	--	-----------	-----------	------------

Asterisked courses are cross-listed in both schools, but are single-counted in the iSchool column alone. Note that the 35 and 69 total units in each department, and the 104 total units, include cross-listed courses only once – they are counted only on the iSchool side of the ledger.

**This course also satisfies the law school’s upper class skills requirement.
