Course Description

UNIVERSITY CATALOG COURSE DESCRIPTION
This course is designed to introduce MSIS students to strategies for including primarily digital games in collections across the various kinds of institutions. Students will have guided experience with digital games to gain familiarity with the topic area, as well as exposure to case studies of how specific libraries, archives, and museums have included games in their collected materials.

LEARNING OUTCOMES
1. Identify existing strategies for collecting games in three kinds of institutions.
2. Develop a vocabulary for discussing games grounded in game studies literature.
3. Critique game collecting strategies based on a set of features.

How Will You Learn?

STATEMENT OF LEARNING SUCCESS
Your success in this class is important to me. We all learn differently, and everyone struggles sometimes. You are not, ever, the only one having difficulty! If there are aspects of this course that prevent you from learning or exclude you, please let me know as soon as possible. Together we will develop strategies to meet both your needs and the requirements of the course. I also encourage you to reach out to the student resources available through UT and I am happy to connect you with a person or Center if you would like.
TEACHING MODALITY INFORMATION
The course will be taught in-person.

COMMUNICATION
The course Canvas site can be found at utexas.instructure.com. Please email me through Canvas. You are responsible for ensuring that the primary email address you have recorded with the university is the one you will check for course communications because that is the email address that Canvas uses.

EMAIL POLICY
I will typically respond to emails within 24 hours during the week, and 48 hours during the weekend. On Friday afternoons, I will be checking my email regularly and you can expect a response within an hour.

ASKING FOR HELP
You are encouraged to come to class with your questions, to come to office hours, or to reach out with email and Canvas messages. It is my responsibility to make sure you have a safe place to ask for help, and your responsibility to reach out directly or indirectly to make that known.

DIVERSITY, EQUITY AND INCLUSION
It is my intent that students from all diverse backgrounds and perspectives be well served by this course, that students’ learning needs be addressed, and that the diversity that students bring to this class can be comfortably expressed and be viewed as a resource, strength and benefit to all students. Please come to me at any time with any concerns.

DISABILITY & ACCESS (D&A)
The university is committed to creating an accessible and inclusive learning environment consistent with university policy and federal and state law. Please let me know if you experience any barriers to learning so I can work with you to ensure you have equal opportunity to participate fully in this course. If you are a student with a disability, or think you may have a disability, and need accommodations please contact Disability & Access (D&A). Please refer to the D&A website for more information: http://diversity.utexas.edu/disability/. If you are already registered with D&A, please deliver your Accommodation Letter to me as early as possible in the semester so we can discuss your approved accommodations and needs in this course. There is no wrong time to get accommodations set up!
Course Requirements and Grading

REQUIRED MATERIALS

Required readings will be posted on Canvas.

REQUIRED DEVICES

Students are expected to have access to a current-generation computer system.

CLASSROOM EXPECTATIONS

Class attendance I expect students to attend every class session they can attend. Each student may have one unexcused absence per semester, no questions asked. The final class day, however, will be for presentations and thus required. If you will miss a class, please let me know in advance as a courtesy. If you need to miss a class for an excused reason, please reach out as early as possible. If you miss a class, you are still responsible for turning in your work.

Class participation Class time is for you to expand on your knowledge by asking questions and engaging with the material. I encourage you to participate as much as you can.

Behavior expectations We will iterate on a basic code of conduct for the class in the first week.

ASSIGNMENTS

The following table represents how you will demonstrate your learning and how we will assess the degree to which you have done so.

LATE WORK AND MAKING UP MISSED WORK

Unexcused late work is accepted with a 3-point penalty for each 24 hour period the work is late. Every student has one “late pass” where they may turn in one class’s worth of assignments up to two days late without question. This late pass may not be applied to the final presentations, and you must tell me via email or Canvas message that you are using your late pass when you do.

ABSENCES

Attendance and participation will count as part of your grade. I encourage you to be an active participant in class discussions!

USE OF A CURVE
Grades will be assigned according to the table below.

**EQUITABLE ACCOMMODATION**

The following policies apply to this course:

- One late pass per semester for turning in one day’s worth of assignments up to two days late.
- One unexcused absence per semester (barring the final class session).

**EXTRA CREDIT**

[Description of your policies: e.g., if you provide opportunities for extra credit, how is it awarded?]

### Assignments

**DISCUSSION QUESTIONS**

Each week, you will be responsible for posting to Canvas a discussion question grounded in the week’s readings. I encourage you to include quotations or direct references to specific parts of the readings in order to keep your questions focused.

**GAME REFLECTIONS**

Three times throughout the semester, you will be responsible for turning in a reflection on accessing and playing a game from a library, archive, and museum. These reflections should be about 2-3 pages, and include an account of what your setup was and any challenges you faced playing the game.

**FINAL PAPER**

In the final paper, I’d like you to expand one of your game reflections to evaluate an institution’s collection strategy for a specific digital game. You should reference at least 10 sources, 5 of which should come from outside the course material. You should also include a paragraph that references what you have learned from your other two reflections.

**FINAL PRESENTATION**

During the final class day, each student will have 10 minutes to present their findings. You should include at least 2 minutes on the game you have chosen and 2 minutes on the institution you focus on.

Course Policies and Disclosures

ACADEMIC INTEGRITY EXPECTATIONS
Students who violate University rules on academic dishonesty are subject to disciplinary penalties, including the possibility of failure in the course and/or dismissal from the University. Since such dishonesty harms the individual, all students, and the integrity of the University, policies on academic dishonesty will be strictly enforced. For further information, please visit the Student Conduct and Academic Integrity website at: http://deanofstudents.utexas.edu/conduct.

GETTING HELP WITH TECHNOLOGY
Students needing help with technology in this course should contact the ITS Service Desk or the iSchool Help Desk.

CONTENT WARNING
Our classroom provides an open space for the critical and civil exchange of ideas. Some readings and other content in this course may include topics that some students may find offensive and/or traumatizing. I’ll aim to forewarn students about potentially disturbing content and I ask all students to help to create an atmosphere of mutual respect and sensitivity.

BASIC NEEDS SECURITY
Any student who faces challenges securing their food or housing and believes this may affect their performance in the course is urged to contact the Dean of Students for support. UT maintains the UT Outpost, which is a free on-campus food pantry and career closet. Furthermore, if you are comfortable notifying me, please do so, as I may have additional resources I can share.

SHARING OF COURSE MATERIALS IS PROHIBITED
No materials used in this class, including, but not limited to, lecture hand-outs, videos, assessments (quizzes, exams, papers, projects, homework assignments), in-class materials, review sheets, and additional problem sets, may be shared online or with anyone outside of the class without explicit, written permission of the instructor. Unauthorized sharing of materials promotes cheating. The University is well aware of the sites used for sharing materials, and any materials found online that are associated with you, or any suspected unauthorized sharing of materials, will be reported to Student Conduct and Academic Integrity in the Office of the Dean of Students. These reports can result in sanctions, including failure of the course.

RELIGIOUS HOLY DAYS
By UT Austin policy, you must notify me of your pending absence as far in advance as possible of the date of observance of a religious holy day. If you must miss a class, an examination, a work assignment, or a project in order to observe a religious holy day, you will be given an opportunity to complete the missed work within a reasonable time after the absence.
NAMES AND PRONOUNS
Professional courtesy and sensitivity are especially important with respect to individuals and topics dealing with differences of race, culture, religion, politics, sexual orientation, gender identity & expression, and nationalities. Class rosters are provided to the instructor with the student’s legal name, unless they have added a “chosen name” with the registrar’s office, which you can do so here. I will gladly honor your request to address you by a name that is different from what appears on the official roster, and by the pronouns you use (she/he/they/ze, etc). Please advise me of any changes early in the semester so that I may make appropriate updates to my records. For instructions on how to add your pronouns to Canvas, visit this site. More resources available on the Gender and Sexuality Center’s website, www.utgsc.org.

LAND ACKNOWLEDGMENT
I would like to acknowledge that we are meeting on the Indigenous lands of Turtle Island, the ancestral name for what now is called North America. Moreover, I would like to acknowledge the Alabama-Coushatta, Caddo, Carrizo/Comecrudo, Coahuiltecan, Comanche, Kickapoo, Lipan Apache, Tonkawa and Ysleta Del Sur Pueblo, and all the American Indian and Indigenous Peoples and communities who have been or have become a part of these lands and territories in Texas.

- The university will continue to provide rapid antigen self-test kits at distribution sites throughout campus. Students can receive up to four tests at a time.
- The university will provide symptomatic COVID-19 testing on campus for all students, faculty and staff.
- UHS maintains up-to-date resources on COVID, which can be found here:

  - COVID-19 Exposure Action Chart
CARRYING OF HANDGUNS ON CAMPUS

Texas’ Open Carry law expressly prohibits a licensed to carry (LTC) holder from carrying a handgun openly on the campus of an institution of higher education such as UT Austin. Students in this class should be aware of the following university policies:

- Students in this class who hold a license to carry are asked to review the university policy regarding campus carry.
- Individuals who hold a license to carry are eligible to carry a concealed handgun on campus, including in most outdoor areas, buildings and spaces that are accessible to the public, and in classrooms.
- It is the responsibility of concealed-carry license holders to carry their handguns on or about their person at all times while on campus. Open carry is NOT permitted, meaning that a license holder may not carry a partially or wholly visible handgun on campus premises or on any university driveway, street, sidewalk or walkway, parking lot, parking garage, or other parking area.
- Per my right, I prohibit carrying of handguns in my personal office. Note that this information will also be conveyed to all students verbally during the first week of class. This written notice is intended to reinforce the verbal notification, and is not a “legally effective” means of notification in its own right.

TITLE IX DISCLOSURE

Beginning January 1, 2020, Texas Education Code, Section 51.252 (formerly known as Senate Bill 212) requires all employees of Texas universities, including faculty, to report any information to the Title IX Office regarding sexual harassment, sexual assault, dating violence and stalking that is disclosed to them. Texas law requires that all employees who witness or receive any information of this type (including, but not limited to, writing assignments, class discussions, or one-on-one conversations, or third party reports) must be report it. Before talking with me, or with any faculty or staff member about a Title IX related incident, please remember that I will be required to report this information to the Title IX Coordinator. If you would like to speak with someone who can provide support or remedies without making an official report to the university, please email supportandresources@austin.utexas.edu. For more information about reporting options and resources, visit http://www.titleix.utexas.edu/, contact the Title IX Office via email at titleix@austin.utexas.edu, or call 512-471-0419.

Although graduate teaching and research assistants are not subject to Texas Education Code, Section 51.252, they are still mandatory reporters under Federal Title IX laws and are required to report a wide range of behaviors we refer to as sexual misconduct, including the types of sexual misconduct covered under Texas Education Code, Section 51.252. The Title IX office has developed supportive ways to respond to a survivor and compiled campus resources to support all impacted by a Title IX incident.

CAMPUS SAFETY

The following are recommendations regarding emergency evacuation from the Office of Campus Safety and Security, 512-471-5767,
• Students should sign up for Campus Emergency Text Alerts at the page linked above.
• Occupants of buildings on The University of Texas at Austin campus must evacuate buildings when a fire alarm is activated. Alarm activation or announcement requires exiting and assembling outside.
• Familiarize yourself with all exit doors of each classroom and building you may occupy. Remember that the nearest exit door may not be the one you used when entering the building.
• Students requiring assistance in evacuation shall inform their instructor in writing during the first week of class.
• In the event of an evacuation, follow the instruction of faculty or class instructors. Do not re-enter a building unless given instructions by the following: Austin Fire Department, The University of Texas at Austin Police Department, or Fire Prevention Services office.
• For more information, please visit emergency preparedness.
