*Important Note:* Due to the Texas Education Agency's requirements for the Education Preparation Program (EPP) hours, any class session missed—for any reason—must be made up in its entirety. Students who miss a class session will need to contact the instructor within 24 hours of the missed class to obtain directions for making up the three hour class and assignments. Students who do not make up missed classes may be in jeopardy of not fulfilling the EPP requirements and may not receive certification or may need to take an incomplete or retake the course at additional expense.

*In-class participation & attendance (20%):* Students are expected to be in class each session and participate actively in oral discussions and group activities. Readings for that week's class will prepare students for active participation in discussions and group work.

Grades will be given for small group participation in selected activities each week. If you are in class and participate in each activity, you will receive credit. If you forget to bring materials in which we are using for an activity, or you are absent from class, you will receive no credit, unless you submit the assignment in written form. If the assignment was accomplished with a partner or partners, you will be required to submit all of the work that was completed in class. You have one week from the date the work was assigned to submit missed assignments and make up the three hour class.

Attend all classes and bring required materials. See important note above. One excused absence will not count against a student's grade if prior notice of absence is received. If the absence is due to an emergency and prior notice is not possible, please notify the professor as

soon as you can. The opportunity to submit assignments due to an absence is not a free pass to miss class. The professor has the prerogative to cease allowing students to submit work if more than one class is missed.

*Weekly and in-class assignments (20%):* Students will occasionally have assignments that are due at the time class begins. See the week's module for assigned work and the due date and time. *Module readings MUST be completed before the beginning of that week's class.* We will use time in class to build upon the assigned readings and written assignments, as well as exploring the course material in more depth. In most cases, students will be completing written activities in class as well as engaging in discussions and group assignments. On occasion, these assignments will be extended to be due later in the week if there is not enough time to finish and submit during class. Students are expected to come to class prepared to actively participate each and every week. Please bring a fully charged, internet-connected device as well as the required children's book with you to class each week. A laptop is preferable. Assignments must be submitted via Canvas unless otherwise directed.

*Major assignments:* 60% for all major assignments. See detailed assignments below.

*All assignments must be completed in order to make a passing grade.* If students fail to submit an assignment, they must take an incomplete or retake the course.

1. Professional portfolio: 10%
2. Collaborative, integrated Guided Inquiry lesson plan: 10% (due Sept. 28)
3. Digital literacy lesson plan: 10% (due Nov. 1)
4. School library program evaluation: 10% (due Nov. 22)
5. Learning commons budget proposal: 20% (due Dec. 9)
