

EDUCATION

- 2004 **Doctor of Philosophy**
Department of Mechanical and Industrial Engineering, University of Toronto, Canada
Research Area: **Human-Computer Interaction / Human Factors**
Advisor: Professor Mark H. Chignell
- 1998 **Master of Applied Science**
Department of Mechanical and Industrial Engineering, University of Toronto, Canada
Research Area: **Information Systems**
Advisor: Professor Mark Fox
- 1988 Pursued Master degree in Computer Science (emigrated to Germany after completing 4th year)
Department of Applied Physics & Mathematics, Technical University of Łódz, Poland
- 1985 **Master* of Science in Electrical Engineering with distinction (Summa cum laude)**
Department of Electrical Engineering, Technical University of Łódz, Poland
**Note:* In the Polish university system (as in many other European countries) one used to receive an equivalent to a Master's degree after five years of study, with no Bachelor degree granted.

EMPLOYMENT

- 01.2015- **School of Information, University of Texas, Austin, TX, USA**
Assistant Professor and Information eXperience Lab Co-Director
- 01.2013- **School of Information, University of Texas, Austin, TX, USA**
12.2014 Visiting Scholar / Lecturer
- 09.2005- **Department of Library and Information Science, Rutgers University, NJ, USA**
12.2012 Assistant Professor
- 01.2004- **Department of Psychology, University of Toronto, Canada**
08.2005 Postdoctoral Research Fellow
* Researched measures of user navigation in hypertext documents.
* Developed predictive models of disorientation in Web navigation.
- 09.2000- **University of Toronto, Canada**
12.2003 Research Assistant, Computer Scientist, Web Designer and Developer
* Researched and implemented algorithms for similarity assessment of web sessions.
* Developed system for conducting remote interactive information retrieval experiments
- 06-09.2000 **Xerox PARC - Palo Alto Research Lab, Palo Alto, CA, USA**
& 06-09.1999 Research Intern
(2000) Researched email handling practices and evaluated email interfaces
* Designed and conducted user studies (field studies/ethnography); analyzed data; presented results.
(1999) Conducted research in the area of user interfaces for document annotation systems:
* Designed and developed distributed system for annotation of documents on handheld devices.
The system was awarded [US patent No. 8,074,165](#) June 2011
- 05-09.1998 **Hewlett Packard Labs, Palo Alto, CA, USA**
Research Intern in Multi-Media Organization Group
* Researched organization and retrieval of digital images; designed and developed software
- 01.1999- **Personification Inc., Toronto, Canada**
12.1999 Knowledge Engineer and Software Designer
* Worked on intelligent messaging solutions.

EMPLOYMENT (continued)

- 06-09.1997 **FXPAL - Fuji Xerox Palo Alto Laboratory, Palo Alto, CA, USA**
 Research Intern
 * Conducted research in the area of integrating handwritten digital notes and audio.
 * Designed and developed software for electronic notepad recording and indexing phone calls.
 The system was awarded US patent No. 6,404,856 June 2002.
- 01.1995-01.1998 **Enterprise Integration Laboratory, University of Toronto, Canada**
 Research Assistant
 * Conducted research on pen-based interaction with electronic notebooks and UI to knowledge bases.
- 08.1994-01.1995 **Infopol International Information Systems, Inc., Etobicoke, Canada**
 Internet Technologist
 * Designed, developed and administered websites.
 * Worked on the electronic delivery of press agency news and photographs.
- 07.1990-07.1994 **Lanworks Technologies Inc. & All Computers Inc., Toronto, Canada**
 Software Engineer
 * Developed software for network boot system (SmartROM technology) and for memory management.
- 01.1986-05.1990 **Germany and Poland**
 Contract and staff programming positions, various employers. Systems and Applications Software Engineer.

GRANTS RECEIVED

Total: ~\$1,9m.; external: \$1,75m. (in that as a PI and for my part of projects approximately \$1m.)

- 2016-2017 Relevance Mining and Detection System. (\$100,000). FCT (Portugal's NSF) + Portuguese Science and Technology Foundation and the Digital Media Program, UT Austin. Principal Investigator. (with Matt Lease, Co-PI, Luis Revilla, Co-PI).
- 2015-2017 Detecting Periods of Mindless Information Seeking (DeMIS). (\$25,700). Fellowships, iSchool, UT Austin.
- 2015-2016 Understanding Consumers' Quality Evaluation of Online Health Information Using a Mixed-Method Approach. (\$44,444). Portuguese Science and Technology Foundation and the Digital Media Program, UT Austin. Co-PI with Yan Zhang.
- 2014-2015 Learning about Search as Learning (LaSaL). (\$10,857). Fellowship, iSchool, UT Austin.
- 2014-2016 Child-friendly search engine results pages: Towards better understanding of Google search results readability by children. Co-PI with Dania Bilal (PI) (\$41,363). [Google Faculty Research Award](#)
- 2013-2014 Personalized Complex Data Exploration. (\$50,000). Lockheed Martin Corporation.
- 2011-2016 Continuous Assessment of Cognitive Load in Information Seeking (\$334,641). [IMLS CAREER Development Award](#). (8.3% success rate; 2 awards given in 2011). (Total budget \$560k)
- 2011 Implicit Detection of Relevance Decisions and Affect in Web Search (\$71,579). [Google Faculty Research Award](#)
- 2010-2011 Using low-cost sensors to infer cognitive states on information tasks (\$1000). Rutgers Research Council. *Principal Investigator*.
- 2009-2010 Promoting sensemaking of user-constructed tag spaces on the web (\$1500). Rutgers Research Council. *PI*.
- 2008-2010 Personalization of the digital library experience (\$964,887). Institute of Museum and Library Services (IMLS). *Co-PI*, with Dr. Nick Belkin (PI) & Dr. X. Zhang (Co-PI). (Total budget \$1.5M)
- 2008-2010 Mobile iThinking – Mobile tablet computers for active learning (\$83,720). 2008 Hewlett Packard Teaching Grant. *Principal Investigator*, with Dr. Claire McInerney (Co-PI).
- 2008 Implicit identification of user states and information task characteristics (\$2450). G2GG, SCILS, Rutgers University. *Principal Investigator*.
- 2007-2008 Building predictive models of cognitive characteristics of users engaged in interactive search tasks (\$2300). Rutgers Research Council. *Principal Investigator*.
- 2007 Examination of the relationships between individual differences, and subjective and objective measures of information search task difficulty (\$1472). G2GG, SCILS, Rutgers University. *Principal Investigator*.
- 2006-2007 Examination of the relationships between individual differences, and subjective and objective measures of information search task difficulty (\$2300). Rutgers Research Council. *Principal Investigator*.
- 2005-2006 Improving user navigation of large e-commerce web sites (\$74,374). Communications and Information Technology Ontario (CITO, a division of Ontario Centres of Excellence - OCE) and Bell Canada. *Co-Pi*.

- Wilcox, L., Chiu, P., & **Gwizdka, J.** (2002). System for recording, annotating and indexing audio data. US Patent. 6,404,856.

PRESENTATIONS

Selected Invited Presentations, Lectures, or Panels

- Eye-Tracking & HCI* (2016, October). Invited lecture at Department of Microelectronics and Computer Science (DMCS), Faculty of Electrical, Electronic, Computer and Control Engineering, Technical University of Lodz, Lodz, Poland.
- Some Fundamentals of HCI. From human action cycle, mental models, to design principles and ... eye-tracking* (2016, October). Invited lecture at Departamento de Ciência de Computadores Faculdade de Ciências da Universidade do Porto, Porto, Portugal
- Top Ranked Search Results and What They Mean? Misconception or Missed Information Literacy Education?* (2016, October). Invited panelist at *Information literacy: Bridging the gap between theory and practice* panel at the 79th annual meeting of the American Society for Information Systems and Technology ASIST'2016, Copenhagen, Denmark.
- User Centered Evaluation Approaches in Interactive Information Retrieval.* (2016, March). Invited expert panelist at the 1st International Workshop on System And User Centered Evaluation Approaches in Interactive Information Retrieval (SAUCE'2016), held in conjunction with CHIIR'2016 conference. Chapel Hill, NC.
- Neuro-Physiological Evidence as a Basis for Studying Search.* (2015, December). Invited talk presented at the Department of Library and Information Science, Rutgers University, New Brunswick, NJ.
- Learning about People and their Tasks from Eye-Tracking.* (2011, November). Invited talk presented at the Department of Developmental and Educational Psychology, University of Valencia. Spain.
- Cognitive Ability Effects on Effort in Web Search and Navigation.* (2011, July). Invited contribution to symposium on Cognition and Web at the 21st annual meeting of the Society for Text and Discourse. Poitiers, France. July 11-13, 2011.
- Learning about Information Searchers from Eye-Tracking.* (2011, April). Invited talk at University of Missouri. Columbia, MO.
- Eye tracking = reading the mind.* (2010, August). Invited workshop participant at the 28th European Conference on Cognitive Ergonomics (ECCE 2010), Delft, The Netherlands.
- Do digital libraries require anything special from personalization?* (2007, June). Invited panelist at the 10th DELOS Thematic Workshop on Personalized Access, Profile Management, and Context Awareness in Digital Libraries, Corfu, Greece.
- Future directions in email visualization.* (2005, June). Invited panelist at the Email Archive Visualization Workshop, Human-Computer Interaction Lab, University of Maryland, College Park, MD.
- Interacting with scientific publication databases: Successful search scenarios and the UCD process.* (2005, March). Invited speaker at Elsevier Scopus, Poland.

Selected Other Presentations, Lectures, Panels and Demos (Note: only items *not* listed elsewhere)

- Psycho-physiological Methods in Information Science: Fit or Fad?* Presented at Interactive session at iConference'2015. Newport Beach, CA, March
- Searching as Learning: Novel Measures for Information Interaction Research.* Panel presentation at ASIST'2014, Seattle, WA, Nov, 2014.
- YASFIIRE: Yet Another System for IIR Evaluation.* Demo presented at IliX'2014, Regensburg, Germany, August, 2014.
- Applications of Neuroimaging in Information Science: Challenges and Opportunities.* Panel chair and presenter at ASIST'2013.
- Towards Interaction models derived from eye-tracking.* Presented at the Polish IA/UX/HCI Summit 2012. Warsaw, April 18-20, 2012
- iThinking: Mobile tablet computers for active learning.* (2009, December). Demonstration of classroom technology presented at the Rutgers University Office of Instructional and Research Technology (OIRT) Showcase, New Brunswick, NJ.
- Demos at the 72nd annual meeting of the American Society for Information Science & Technology (ASIS&T'2009), Vancouver, BC, Canada: 1) *PooDLE IIR Modeling Exploration System (DAMFIR)*. Experimental system demo. 2) *Tag Trails interface*. Search

interface demo.

Workshop on Understanding the User: Logging and interpreting user interactions in information search and retrieval (UIIR). (2009, July). Workshop co-organizer and co-leader at the 32nd ACM SIGIR Conference on Research and Development in Information Retrieval, Boston, MA.

Tools for user-centered design. (2003, April). Session chair at the 21st ACM SIGCHI Conference on Human Factors in Computing Systems (CHI '03), Fort Lauderdale, FL.

RESEARCH SOFTWARE DEVELOPED and SUPERVISED

YASFIIRE	Yet Another System for IIR Evaluation. JavaScript, PHP, SQL – supervised students' work
DAMFIR	Data Analysis & Modeling Framework for Evaluation of IIR. Java, PHP, SQL – supervised students' work
TagTrails	Exploratory system for tagged documents. PHP, SQL – co-developed & supervised student's work
LogJq	Processing & managing multiple interaction logs. Java, SQL – co-developed & supervised student's work
WiIRE-2	Web Interactive Information Retrieval Experimental system. PHP, SQL, HTML, JS
WebTaskMail	Prototype web email system for pending tasks. PHP, SQL, HTML, JS - individual work
Email Land	Zoomable 2D email interface. Java; ZUI framework: Piccolo - individual work
TaskView	Time-based email interface. Java, Java-COM interface - individual work
Notable	Document annotation system for PDAs (Xerox PARC). Java (8,000), C++ (10,000) (US Patent 8,074,165)
FotoFile	Multimedia Organization and Retrieval System (HP Labs). Java - teamwork
EEN	Electronic Engineering Notebook. Java (8,500 lines); NewtonScript, PERL, Prolog - individual work
DynoPhone	Electronic notebook capturing digital ink and audio - integrated with an Internet phone. (FXPAL) C++ on Windows'95 with Pen Services 2.0 (US Patent 6,404,856)
KAD	Knowledge Aided Engineering. UI to an engineering knowledge base. Java, Prolog - teamwork
IAMS	Issues and Actions Management System. Web-based client-server application Client: HTML, JavaScript; Server: PERL, Prolog - teamwork

AWARDS, HONORS & FELLOWSHIPS (*other than awarded grants*)

2015	Distinguished Fellow of the Kosciuszko Foundation Collegium of Eminent Scientists
2013	Dr. H. Zemlicka Award for the “ most visionary paper ” presented at NeuroIS'2013 in Gmunden, Austria.
2011	„Internet Research” (Emerald) Best Paper in the Interactive Information & Design Track at ASIST 2011.
2011	SIGUSE 2011 Best Poster in Information Behavior.
2004-2005	CITO Post Doctoral Fellowship in the Dept. of Psychology, University of Toronto (\$45,000 p.a.)
2002 & 2004	Knowledge Media Design Institute (KMDI) Fellowship Grants, University of Toronto
2002-2004	Graduate Fellow in the Knowledge Media Design Institute (KMDI), University of Toronto
04.2002	Awarded participation in the ACM SIGCHI Doctoral Consortium at the CHI'2002 conference (acceptance 34%)
1998-2000	National Science and Engineering Research Council Graduate Scholarship (NSERC: PGS-B)
1997-98;2000-1	Ontario Graduate Scholarship (OGS)
1995-97	University of Toronto Open Fellowships
1986	First Place in the Competition for a Lecturer Position in the Department of Applied Physics & Mathematics, Technical University of Łódź (did not accept)
1985	First prize from the Society of Polish Electrical Engineers (SEP) for the Master Thesis
1984-1985	Ministry of Science, Education & Technology National-level Scholarship (top 2% nationwide)

TEACHING EXPERIENCE [graduate courses, unless indicated otherwise]

Human-Computer Interaction

Human-Computer Interaction | INF 385C | Spring 2014, Fall 2014-2017
School of Information, University of Texas at Austin; *Course Instructor*

Mobile Interaction Design | INF 385T | Spring 2013, Spring 2014, Spring 2015
School of Information, University of Texas at Austin; *Course Instructor*

Projects in HCI | INF 385K | Fall 2013, Spring 2015, Spring 2017
School of Information, University of Texas at Austin; *Course Instructor*

Interface Design | MLIS 512 | Fall 2006-11 on-line; Spring 2006,'08,'10-'12 on-campus
Department of Library and Information Science, Rutgers University; *Course Instructor*

Human-Computer Interaction (with Mobile Apps design) | ITI 230 | Fall 2006-2010
Undergraduate course - Department of Library and Information Science, Rutgers University; *Course Instructor*

Information Visualization | FIS 2182 | Spring 2005
Faculty of Information Studies, U of Toronto; *Course Co-Instructor* (with Dr. David Modjeska)

Interacting with Information Systems | FIS 2179 | Fall 2004 (1st course taught as an instructor)
Faculty of Information Studies, University of Toronto; *Course Instructor*

Human-Computer Interaction and Communication | CCT 380 | Summer 2004
Undergraduate - Communication, Culture & Information Technology, University of Toronto, Assistant Instructor

Technical Courses

Database Management | INF 385M | Spring & Fall 2013, Fall 2014, Fall 2015

School of Information, University of Texas at Austin; *Course Instructor*

Information Retrieval Theory | PHD 698/614 | Spring 2012

Doctoral seminar - Department of Library and Information Science, Rutgers University; *Course Instructor*

Information Retrieval | MLIS 551 | Spring 2008

Department of Library and Information Science, Rutgers University; *Course Instructor*

Digital Library Technology | MLIS 558 | Spring 2011 on-line

Department of Library and Information Science, Rutgers University; *Course Instructor*

Object-Oriented Programming | ITI 202 | Spring 2007, Spring 2006 (co-taught with Dr. G. Muresan)

Undergraduate– Dept. of Library & Information Science, Rutgers University; *Course Instructor & Co-Instructor*

Information Technologies for Libraries & Information Agencies | MLIS 550 | Fall 2005, '11, Spring 2007, '10

Department of Library and Information Science, Rutgers University; *Course Instructor*

Research Courses

Understanding Research | INF 397C | Spring & Fall 2017

School of Information, University of Texas at Austin; *Course Instructor*

ACADEMIC ADVISING AND MENTORING

Chair of doctoral committees

1. “Title TBD”, (08.2016-), Yung-Sheng Chang

Member of 8 doctoral committees (6 successfully defended and 2 are in progress)

1. “Personalizing Information Retrieval Using Task Features, Topic Knowledge, and Task Products”, 2010.10, Jingjing Liu (now an assistant professor)
2. “The Effect of Task and Personal Relevance on Credibility Judgments on the Internet” 2010.09, Andrew Kirykyla
3. “Relationships among Work Tasks, Search Tasks, and Interactive Information Searching Behavior”, 2008.01, Yuelin Li (now a professor)
4. “Personalizing Information Retrieval in Different Types of Tasks”, Chang Liu, 2012.09, (now an assistant prof)
5. “Modeling the Information Seeking Task Process as Sequences of Behaviors”, 2015.12, Michael Cole (now senior researcher at Lexis-Nexis)
6. “The Process of Organizing Personal Information”, Kyong Eun Oh, 2013.08 (now an assistant prof)
7. “tbd”, Brandon Wiley, UT Austin (defended 2016.05)
8. “Consumer Health Information Seeking Using Mobile Devices”, Hanna Kim, UT Austin
9. “Developing a framework to evaluate the types and dose of tailored information in mobile apps for chronic condition self-management among older adults”, Ivan Watkins, UT Austin

External doctoral committee member or examiner

1. “Exploring the Role of Culture in Online Searching Behavior from a Cognitive Perspective”, (2016-2017), Sara Chizari, University of South Carolina. (defended may 2017)
2. “User relevance assessment of personal finance information: What is the role of cognitive abilities?”, (2015-), Kathy Brennan, University of North Carolina at Chapel Hill
3. External examiner on dissertation “Adaptive Multimodal Integration of Speech and Gaze”, 2009.03, Chandra Sekhar Mantravadi (Rutgers, ECE).

Member of 8 PhD qualifying exam committees; chaired one PhD qualifying exam.

Co-supervised one post-doctoral research fellow (Dr. Ralf Bierig – PooDLE project - DAMFIR software).

Supervised 7 PhD-level research practica or reading courses and several PhD research assistants (18-student-semester).

Masters and Undergraduate Students

Supervised 8 undergraduate research projects and internships; 13+ Master-level independent studies and 13+ research assistants.

PROFESSIONAL TEACHING & INSTRUCTION (TAUGHT)

Personal Information Management in Theory and Practice: April 2007, August 2006, April 2006

One-day professional course taught at conferences: CHI'07, SIGIR'06, CHI'06. *Course Co-Instructor with Dr. William Jones*

TEACHING TRAINING ATTENDED

- | | |
|-------------|---|
| 2010-2013 | Individual consultations with experts from centers for teaching at Rutgers University and at University of Texas at Austin |
| 2006-2010 | Attended pedagogy seminars and workshops on effective teaching offered by Center for Teaching Advancement and Assessment Research, Rutgers University |
| Winter 2001 | Oral Presentation Skills Course, School of Graduate Studies, University of Toronto, Canada |
| Fall 2001 | THE500 – Teaching in Higher Education, Woodsworth College, University of Toronto, Canada |

SERVICE TO PROFESSION

Service to Professional Organizations

2013 ASIS&T Education Committee Co-Chair

Reviewing and Editorial Boards

2017-2018 Guest co-editor of special issues on Neuro-Information Science for *Journal of the Association for Information Science & Technology* and Neuro IIR for *Aslib Journal of Information Management*

2015-2017 Guest co-editor of special issues on Search as Learning for *Journal of Information Science* and *Information Retrieval Journal*

2014-present Member of Editorial Board – *Information Processing & Management* (Elsevier)

2009-present Associate Editor – *Interacting with Computers* (Elsevier, now Oxford)

Reviewer for: Journals (*Journal of the American Society for Information Science & Technology*, *ACM Transactions on Information Systems*, *Interacting with Computers*, *Information Processing & Management*, *IEEE Transactions on Human-Machine Systems*), books and edited works (ARIS&T, Morgan Kaufman Publishers), conferences (*ACM SIGCHI*, *SIGIR*, *ETRA*, *iConference*, *ASIS&T*, *NeuroIS*), numerous workshops (*PIM*, *Email*, etc.)

Scientific proposals for Estonian Science Foundation (ETF); national consortia proposals (each valued at \$21.5M) for Polish government's national strategic program. Both by invitation.

2000-2004 Founding editor of the U of Toronto Interactive Media Lab's Technical Report Series

Conference/Workshop Organization and Program Committees

2017-2018 CHIIR'2018, Doctoral Consortium Co-Chair

2017 NeuroIIR'2017, ACM CHIIR Workshop Co-organizer and co-leader

2016 SAL'2016, SIGIR Workshop Co-organizer

2015-2016 CHIIR'2016, Short-paper Co-Chair

2015 NeuroIR'2015, SIGIR Workshop Co-organizer and Chair

2014 SAL'2014 – Searching as Learning, IiX Workshop Co-Organizer and Co-Chair

2014 NeuroIS'2014 – Program Committee

2013 ASIS&T'2013 Panel on Neuroimaging in Information Science – Organizer and Moderator

2012, 2014 Information Seeking in Context Symposium (IiX) – Program Committee

2011 ASIST'2011 Interactive Information & Design Track – Program Committee

INTERACT'2011 – Associate Paper Chair

2010-2011 iConference 2010 – Program Committee

2009-2010 Information Seeking in Context Symposium (IiX'2010) – Publicity Chair

2009 ASIS&T'2009 Personalization Panel Co-organizer and PIM Workshop Co-chair

SIGIR'2009 Workshop on Logging Information Interaction – Workshop Co-chair

2008 AAAI'2008 Workshop on Enhanced Messaging – Program Committee

CHI'2008 Workshop on Personal Information Management – Publicity Chair

2006 SIGIR'2006 Workshop on Evaluating Exploratory Search Systems – Program Committee

SIGIR'2006 Workshop on Personal Information Management – Submissions Chair

11.2005 Co-sponsored the World Usability Day at Rutgers University

27-29.01.2005 NSF-Sponsored workshop on Personal Information Management – Organizing Committee member

2004-2005 Knowledge Media Design Institute (KMDI) – Steering Committee Member

2004 Special Interest Group on Personal Information Management (CHI '04) – Co-organizer and co-leader

2003 Tools for User-Centered Design (CHI '03) – Paper session chair

2002 Workshop on Redesigning Email for the 21st Century (CSCW'02) – Co-organizer and leader

SERVICE TO SCHOOL AND UNIVERSITY

2016.12-present Committee for Bridging Disciplines Program (BDP) certificate in Integrated Design

2016.09- iSchool Curriculum Committee

2016.01-present Advisory board for Center for Integrated Design (UT)

2015- Co-developed iSchool's course offerings for undergraduate minor in HCI/UX design

2011-2012 Rutgers University Libraries Web Board, Member (by invitation)

2010-2011	Research & Development Committee, SC&I, Rutgers University
2010-2011	Research Committee, Chair, LIS, Rutgers University,
2010-2011	Distinguished Speaker Series, Organizer, LIS, Rutgers University
2008-2010	Digital Library Curriculum committee, Member, LIS, Rutgers University
2008-2009	Brown Bag Lunch Speaker Series, Organizer, LIS, Rutgers University
2006-2010	Masters and Doctoral program admissions, Application reviewer, LIS, Rutgers University
2007	Ad-hoc committee on teaching programming in undergraduate program, Information Technology and Informatics, Rutgers University
2006-2009	Research Committee, Member, LIS, Rutgers University

PROFESSIONAL AFFILIATIONS

ACM , SIGCHI	Senior Member - Association for Computing Machinery; SIG for Human Computer Interaction
ASIS&T, SIGUSE	Association for Information Science and Technology; SIGUSE
HFES	Human Factors and Ergonomics Society; Augmented Cognition and Internet group
ST&D	Society for Text and Discourse

LANGUAGES Fluent English and Polish, Good German, Knowledge of Russian

OTHER ACTIVITIES Fine art photography (www.artphoto.ca); Art exhibitions; Jazz Photography

CITIZENSHIP Canadian and Polish (European Union); Permanent Resident in USA
